

Gifts of Life Insurance

Some of our supporters no longer need their life insurance that was purchased years ago to provide for children or other family members. If that is your situation, please consider donating the policy to Campus Life. You may claim a charitable deduction for approximately the policy's cash value, and the proceeds are completely removed from your estate.

If you already have a will: To make a change, a simple amendment often is all that is needed to add a charitable designation. It only takes a couple of minutes to leave a lasting legacy.

The Key to Leaving a Lasting Legacy

Surveys show that only four out of ten Americans have a current will. By making a will, you are able to improve and stabilize the financial security of yourself and your family, and can also make a difference by giving a gift to a charitable organization. Many of our supporters make charitable gifts by naming Campus Life of Sheboygan County as a beneficiary in their wills.

It is through the generosity of gifts like yours that thousands of youth and families have been and are being served by the ministry of Campus Life. Campus Life provides this information as a service only. Please consult with your own tax advisor and/or lawyer when preparing your estate plans. The financial benefits of gifts to Campus Life depend on your situation, but the opportunity to make a difference is always great.

Donation Planning*

Why Participate in Estate Donation Planning?

A planned gift is a lasting way to ensure the future of the Campus Life ministry programs.

Your gift may reduce your income taxes, reduce or even eliminate your capital gain taxes, or reduce your gift and estate tax.

Five reasons to have a will?

1. Permit you to appoint the persons who will handle your estate or serve as guardians to your children.
2. Designate who will receive the property you have accumulated over your lifetime.
3. Set up a trust that provides financial security and money management for family members.
4. Assist friends, worthwhile causes, institutions and others that the law permits.
5. Minimize estate taxes and other costs that could possibly deplete your estate of vital assets.

How Can I Participate In This?

There are three ways in which you can make a bequest:

A Specific Request - you designate a specific dollar amount, specific percentage, or specific property to Campus Life.

A Residual Request - your estate will pay all debts, taxes, expenses, and specific bequests. The remaining amount will be transferred to Campus Life.

A Contingent Request - You can ask that Campus Life receive all or a portion of your estate only under certain circumstances. For example, you can name Campus Life as a beneficiary of your estate only if there are no surviving close family members. Childless couples sometimes provide for the entire estate to go to the surviving spouse, or if the spouse does not survive, to Campus Life.

Campus Life

Other Options

Retained Life Estate

When you make an outright, irrevocable gift of real property to Campus Life you may be eligible for a charitable tax income deduction equal to the full, fair market value of the property.

Gifts of Retirement Plans

Many individuals today have large qualified retirement plans that have been growing tax-free for years. Once the owner begins to receive payments from the qualified plans, the distributions are taxed. The plans are also included in the owners taxable estate.

When you have accumulated funds in a company plan or an IRA beyond your needs for a comfortable retirement, a gift may be made to Campus Life from such an account. This gift made by will, can lower estate taxes through the charitable deduction it provides.
