

***Fathers, do not exasperate your children,
instead, bring them up in the training
and instruction of the Lord. Eph. 6:4***

March 3, 2010

Dear Campus Life Friends,

Dads don't always do things right. But sometimes they do things REALLY RIGHT. See these next few comments... *"This was the best evening ever with my dad!", "Never thought I could have this much fun with my dad.", "Awesome fun with my daughters.", "Thank you for doing this. We're looking forward to next year."* Those comments brought smiles to my face, and the faces of others, as we said good night to those leaving the 1st Annual Campus Life Father Daughter Ball at the beginning of February. I think God was smiling too. Just under 120 dads and daughters (of all ages) participated in a wonderful evening of food, fun, challenge, dancing and just hanging out time together. What a great evening to encourage positive healthy relationships between dads and their daughters. Helping build healthy families, one relationship at a time. Thank you to everyone who helped to make this possible.

February might be the shortest month on the calendar, but we are certainly not short on activities here at Campus Life. One area that you might not be really familiar with are the Bible Studies that happen as a regular part of the Campus Life ministries. Getting people interested in reading and studying their Bible is a priority here. Currently there are over 80 students and adults each week that participate in Campus Life led studies. Some of these are held in homes, some here at the Family Center, some in schools, and one is held in juvenile jail. No matter the audience or location the Word is read, discussed, explained and studied. Above all - God is glorified. Each Bible study focuses on a relationship with the Savior and the incredible impact He can have on their lives. Please pray specifically for this area of ministry here at Campus Life. Pray that as good seed is planted and cultivated that hearts will be open to God's leading.

As the staff continues to evangelize, teach, train, disciple and mentor, we continually realize that we are missionaries in our own city and county. Your gifts help make this ministry possible as we reach out to the lost in Sheboygan County. They all need Jesus. Please accept my sincere thanks for your partnering with us in ministry through your prayers and support. It is needed and deeply appreciated.

Sincerely for youth and their families,

Jim Green

P.S. A special thank you to all of you who have or will be helping us with our special \$10,000 matching gift appeal. Words seem so inadequate to express our appreciation. May God bless you.
