

June 3, 2010

Dear Campus Life Friends,

*"Totally accepted."* That was the response that I got from a student last week when I asked him what he likes most about Campus Life. *"I really feel at home here. I can just be myself."* Comments like that are nice to hear, but they are even better to see lived out. Throughout the year students from a variety of schools, backgrounds and family situations come together each week to hang out together, play games together and learn core Biblical principles together. Some students who come here are lonely. Some need a friend. Some are living an alternative lifestyle, or are scarred from parents' poor choices. Satan's continued attacks on the home and family are resulting in a continuing increase in broken homes and broken lives.

*"The Lord is close to the brokenhearted and saves those who are crushed in spirit."*

Ps.34:18

Some students just don't know where to turn. One young person, Jase (not his real name) is struggling with a variety of bad habits and consequences of poor choices. His poor choices are not condoned, but he is accepted here. He is loved here. Through a dedicated staff and group of volunteers people like Jase find hope and encouragement as we point them toward a loving savior and the truth of the Gospel. Pray that God will work in the lives of struggling youth and families, and praise Him for the great things He will do and is doing.

Within the next few weeks, hundreds of teens and young adults will be involved in our packed summer schedule of activities: Summer Day Camp, Summer SLAM – Milwaukee outreach, Soccer Clinic, Summer Charge, Pick-up Game Nights, The Rock outreach concert, Bible studies and weekly club programs. Each event is designed as a means of reaching and helping people find Christ as their Savior and to grow in their faith. Please be in prayer for each of these activities. Pray that lives will be changed and that God will be glorified.

I trust you will have a wonderful summer as we continue to work together to make Christ known to the youth and families of Sheboygan County. As always, but especially during these troubled economic times, your gifts are greatly appreciated and greatly needed. Thank you for your active support, prayers and encouragement. We couldn't do it without you.

Sincerely for teens,

Jim Green
